

AMENDMENT NO. 5

This Amendment No. 5 (the "Amendment") is made between National Oilwell Varco, Inc. ("Assignor"), and National Oilwell Varco, L.P. ("Assignee"), and Cellco Partnership, a Delaware General Partnership doing business as Verizon Wireless, on behalf of itself and its controlled and/or managed affiliates (collectively "Verizon Wireless"), for attachment to Contract No. 2181465, effective July 13, 2012 between Assignor and Verizon Wireless, as it may have been amended (the "Agreement").

1. Except as set forth in this Amendment, the Agreement shall continue in full force and effect in accordance with its terms. Defined terms shall have the meanings set forth in the Agreement unless otherwise indicated below. If there is a conflict between this Amendment and the Agreement or any earlier amendment, the terms of this Amendment will prevail.
2. This Amendment shall be effective when executed by the parties ("Effective Date"). In order for Verizon Wireless to implement the benefits of this Amendment (including the creation of any custom plans, options, features or applications), Customer must provide certain information, such as name, mobile telephone number and account information of any lines Customer wants to enroll hereunder. Following receipt of all necessary information, Verizon Wireless will complete Customer's account implementation within 90 days.
3. Assignee hereby affirms that it is bound by all of Assignor's rights, liabilities and obligations under the Agreement, in every way as if an original party to the Agreement and shall perform Assignor's obligations that are enumerated under the Agreement.
4. All references throughout the Agreement to "Customer" and "National Oilwell Varco, Inc." shall refer to National Oilwell Varco, L.P. as of the Effective Date of this Amendment.
5. Provided that Assignor is current on its payment obligations under the Agreement and Assignee has been approved as creditworthy by Verizon Wireless' Credit Department, Verizon Wireless hereby consents to Assignor's assignment of the Agreement to Assignee, effective upon the Effective Date of this Assignment and Amendment and acknowledges all rights and remedies of Assignee to exercise or grant any or all of the rights reserved to Assignor under the Agreement as though Assignee originally occupied the place of Assignor under the Agreement.
6. The term of the Agreement ("Term") is hereby extended for three (3) years from the Effective Date of this Amendment, and will then continue on a month-to-month basis ("Extended Term") until terminated by either Party with at least 30 days' Legal Notice. After termination, Wireless Service will continue for any active Corporate Subscribers under the Agreement and for any active Employee Subscribers under their respective Verizon Wireless retail customer agreements, until their lines are either terminated or incorporated under another Verizon Wireless agreement; however, after such termination, Verizon Wireless may remove discounts, any custom plans and features, and other benefits of the Agreement from any such lines.
7. **Section 1.9 "Definitions,"** is hereby modified to add the following definition: "**Machine to Machine Lines ("M2M Line(s)"):** "A line used for transmitting data between wireless devices and computer servers or other machines, or between wireless devices, with limited or no manual intervention. Customer can activate M2M Lines only on specified M2M plans."
8. **Section 2.3, "Early Termination Fees,"** is hereby replaced with the following provision: "**ETF:** Except as otherwise provided in this Agreement, Verizon Wireless will charge an early termination fee ("ETF") for lines terminated by Customer, or by Verizon Wireless for default, or ported by Customer to another service provider prior to the expiration of the Line Term. The amount of the ETF is determined by the Equipment or offer selected, either a) for any lines activated or renewed on a smartphone purchased from Verizon Wireless, \$650.00, minus \$15.00 for each full month of the Line Term completed or b) for lines activated or renewed on other Equipment, \$175.00, minus \$5.00 for each full month of the Line Term completed. For M2M Lines activated on Equipment Customer provides, Verizon Wireless will charge an ETF of \$50.00 for each line so terminated. Customer may terminate any of its lines within 30 days of activation without an ETF, provided that any Equipment purchased from Verizon Wireless at a discount on any line to be terminated is returned undamaged and in good working condition within 30 days of Customer's receipt of such Equipment. Customer shall be responsible for all service-related charges incurred up to the time of termination."
9. **Section 2.4, "Early Termination Fee Waivers /Early Equipment Upgrades,"** is hereby replaced with the following provision: "**ETF Waivers/Early Equipment Upgrades:** During each year of the term of the Agreement as extended by Amendment No. 5, Verizon Wireless will allow a certain number of Customer's Corporate Subscribers to (i) terminate service without an ETF ("ETF

Waivers”), or (ii) purchase Equipment at the current standard corporate Equipment price prior to that line becoming eligible to upgrade (“Early Upgrades”). The number of ETF Waivers and Early Upgrades available during each year of the term of the Agreement as extended by Amendment No. 5 will be equal to 10% of the number of active Corporate Subscriber lines as measured on the Effective Date of Amendment No. 5 and on the anniversary of the Effective Date for any subsequent years of the Agreement as extended by Amendment No. 5. ETF Waivers and Early Upgrades can only be used following the expiration of 180 days after (a) activation of service on the applicable line, or (b) the most recent Equipment upgrade on the applicable line. Customer must continue to meet the terms and conditions of this Agreement as amended to be eligible for ETF Waivers or Early Upgrades. ETF Waivers may not be used for Corporate Subscriber lines ported to another carrier. ETF Waivers and Early Upgrades used for Corporate Subscriber lines of Customer’s participating parent or affiliate(s) lines will be deducted from the total number of ETF Waivers and Early Upgrades available to Customer. ETF Waivers and Early Upgrades are not available if this Agreement is in a month-to-month status. ETF Waivers can be used on M2M Lines.”

10. **Section 7, “Plans, Features, Rates and Charges”** is hereby amended by adding the following sentence: “If a line of Wireless Service is no longer under a Line Term, or if Customer changes or upgrades Equipment, or assumes liability for another line of Wireless Service, Customer will have to change to a current plan or feature for that line.”
11. **Section 4.1, “Equipment Pricing,”** is hereby amended by adding the following sentences: “Purchases of discounted Equipment and accessories may not be for the purpose of reselling. Customer must activate any discounted Equipment on Verizon Wireless’s network within 30 days of receipt; otherwise, Verizon Wireless will charge Customer the difference between the discounted price paid and the full retail price of the Equipment. Verizon Wireless may adjust Device pricing to reflect higher costs from original equipment manufacturers due to United States governmental tariffs on goods manufactured outside of the United States, if applicable.”
12. **Section 5: “Equipment Purchased from Third Parties, Open Development Program”**, is hereby amended by adding the following language: “All data Equipment supporting CDMA must be compatible with Verizon Wireless’s Over the Air Parameter Administration (“OTAPA”) and Verizon Wireless’s Over the Air Service Provisioning (“OTASP”) to allow remote configuration of services on the Equipment including service activation and access on the Verizon Wireless network and roaming partners’ network. All data Equipment supporting LTE must be compatible with Verizon Wireless’s Over the Air Equipment Management (“OTADM”), which allows customers to remotely manage Equipment in the field and also allows for firmware updates, enabling of services, and application of configuration updates to customers’ Equipment. Verizon Wireless shall have the right to perform Firmware Over the Air (“FOTA”) Updates, as applicable on all Equipment Customer purchases from third parties, and to access data Equipment via OTAPA and OTADM for several purposes, including: (i) terminating interference with the Verizon network at a charge of \$25.00 per terminated Equipment, and (ii) updating the Preferred Roaming List. Customer must subscribe to a security service and a FOTA service and ensure data Equipment have the latest necessary security software and original equipment manufacturer (“OEM”) firmware to maintain business continuity. Any data charges associated with a Equipment security or firmware upgrade is the sole responsibility of Customer.”
13. **Section 15, “Limitation of Liability,”** is hereby replaced with the following provision: “**LIMITATION OF LIABILITY:** SUBJECT TO THE EXCLUSIONS AND LIMITATIONS BELOW, THE TOTAL LIABILITY OF EACH PARTY TO THE OTHER PARTY IN CONNECTION WITH THIS AGREEMENT, FOR ANY AND ALL EVENTS IS LIMITED TO THE AMOUNT PAID OR PAYABLE BY CUSTOMER TO VERIZON WIRELESS UNDER THIS AGREEMENT FOR THE TWELVE (12) MONTH PERIOD PRIOR TO THE MOST RECENT EVENT, EXCLUDING AMOUNTS OWED FOR DEVICES. FOR THE PURPOSE OF THIS CLAUSE AND CALCULATION, WHERE AN EVENT GIVES RISE TO A NUMBER OF SEPARATE LIABILITIES, CLAIMS OR CAUSES OF ACTION, AND/OR THERE IS A SERIES OF CONNECTED EVENTS, SUCH WILL BE CONSIDERED A SINGLE EVENT. NOTHING IN THIS SECTION 15 LIMITS EITHER PARTY’S LIABILITY: (A) IN TORT FOR ITS WILLFUL OR INTENTIONAL MISCONDUCT; OR (B) FOR BODILY INJURY OR DEATH OR FOR LOSS OR DAMAGE TO REAL PROPERTY OR TANGIBLE PERSONAL PROPERTY PROXIMATELY CAUSED BY ITS NEGLIGENCE WHILE ON THE OTHER PARTY’S PREMISES; OR (C) RESULTING FROM A PARTY’S FRAUD OR FRAUDULENT MISREPRESENTATION; OR (D) FOR DAMAGES THAT CANNOT BE LIMITED UNDER APPLICABLE LAW OR REGULATION; OR (E) FOR ANY INDEMNIFICATION OBLIGATION UNDER THIS AGREEMENT. NOTHING IN THIS SECTION 15 LIMITS CUSTOMER’S LIABILITY FOR ANY AND ALL CHARGES INCURRED BY CUSTOMER UNDER THIS AGREEMENT, INCLUDING ANY APPLICABLE ETF. VERIZON WIRELESS AND ITS VENDORS WILL NOT BE LIABLE FOR LOSSES, DAMAGES, CLAIMS OR EXPENSES OF ANY KIND ARISING OUT OF THE USE OR ATTEMPTED USE OF, OR THE INABILITY TO ACCESS, LIFE SUPPORT OR MONITORING SYSTEMS OR DEVICES, 911 OR E911, OR OTHER EMERGENCY NUMBERS OR SERVICES.
14. **Section 19, “Mandatory Arbitration,”** is hereby amended by replacing the third and fourth sentences with the following: “The Federal Arbitration Act, 9 USC §§1-16, as amended, shall govern the interpretation and enforcement of this provision. Any arbitration shall be held before an independent arbitrator, governed and administered by the American Arbitration Association.”

15. **Section 13, "Taxes, Surcharges and Exemptions,"** is hereby replaced with the following provision; **"Taxes, Surcharges and Exemptions:** If any federal, state, local or foreign tax, fee, assessment or other charge is required by law to be collected by Verizon Wireless (each, a "Tax"), or a serving carrier charges tax to Verizon Wireless on a roaming call, then Verizon Wireless may bill such amount to Customer, and Customer shall pay such amount. If Verizon Wireless incurs a tax (other than a net income tax) or other expense to comply with regulatory or administrative obligations (such as payments to local telephone companies for delivering calls from Verizon Wireless customers to their customers), Verizon Wireless may bill a surcharge to defray such expense (a "Surcharge"). Taxes and Surcharges may change from time to time. With respect to any Tax other than a Tax charged by a serving carrier on a roaming call, if Customer provides Verizon Wireless with an exemption certificate in the form provided by law, or with other evidence of exemption acceptable to Verizon Wireless, then that specific Tax will not be collected from Customer. If an exemption applied by Verizon Wireless at Customer's request is found not to apply, then Customer shall upon demand pay Verizon Wireless the uncollected Tax and all related interest, penalties and additions to the Tax. Verizon Wireless shall not issue credits for a Tax that is billed prior to Verizon Wireless's receipt of evidence of exemption."
16. **Section 37, "Compliance with Laws,"** is amended to read as follows: **"Compliance with Laws:** The Parties agree that they will comply with applicable laws, regulations and rules to the extent applicable under this Agreement. Verizon Wireless will provide Wireless Service in accordance with the applicable Privacy Policy, set forth at <https://www.verizon.com/about/privacy/full-privacy-policy>, and which is incorporated into this Agreement. Customer acknowledges and agrees that it is solely responsible for the use of the Wireless Service to transmit, receive, store or process its data in compliance with applicable law. Customer further acknowledges and agrees that applications provided by Verizon Wireless that involve the storage of information are not designed or intended for use with protected health information ("PHI"), as defined by the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act and implemented by regulation; and therefore, they must not be used to create, store, transmit or receive PHI."
17. The section entitled **"Regulatory Disclosures"** is hereby deleted in its entirety.
18. The following provision is hereby added to the Agreement as **Section 40: "Consent to Use of CPNI and Confidential Information (Not Applicable to Arizona Customers).** Verizon Wireless wants to offer Customer customized solutions to support Customer's business needs. To facilitate this, Customer consents to the use and sharing of Customer Proprietary Network Information (CPNI) within the Verizon family of Affiliates, and with third parties subject to non-disclosure protection, solely to offer current and future Verizon products and services. Verizon Wireless protects the confidentiality of CPNI, which is information that identifies the quantity, technical configuration, type, destination, location, and amount of use of Customer's subscribed telecommunications and interconnected VoIP services, and related local and toll billing information. Customer has the right to refuse this consent, and doing so will not affect any existing Services. Customer may withdraw or limit its consent at any time via email at cpni-notices@verizon.com and consent remains valid until updated by Customer."
19. The following provision is hereby added to the Agreement as **Section 41: "Export Controls:** The United States and other countries may regulate the export, import and use of certain hardware, software and technological data provided under the Agreement. Customer agrees to comply with the U.S. Export Administration Act, the regulations that the U.S. Department of Commerce promulgates under it, the embargoes and sanctions established by the Department of Treasury, Office of Foreign Assets Control and any other applicable laws or regulations. If Customer chooses to access or use Equipment, Wireless Service or any website or portal that Verizon Wireless maintains, in or from prohibited or sanctioned location(s), Customer will be solely responsible for compliance with local-use controls, laws and regulations, including those relating to the import and export of technical data associated with that access or use. Customer acknowledges that Verizon Wireless has made no representations concerning the appropriateness, availability or legality of the content on any Verizon Wireless-maintained website or portal when accessed outside the United States, and that Customer's access to them from locations where their content is illegal is prohibited."
20. **Retired Legacy Plans:** The following plan(s) ("Legacy Plans") shall no longer be available for new activations or for lines changing plans. Verizon Wireless will allow Customer's existing Corporate Subscribers who are currently procuring services from Verizon Wireless on such Legacy Plans to continue to remain on such Legacy Plans at the pricing, terms and conditions contained in such Legacy Plans until the Corporate Subscriber either changes plans or upgrades Equipment.
